INDEPENDENT AUDITORS' REPORT

To the Board of Directors Young Men's Christian Association of Greater New Orleans New Orleans, Louisiana

We have audited the statements of financial position of The Young Men's Christian Association of Greater New Orleans (a nonprofit organization) (the Association) as of December 31, 2006 and 2005, and the related statements of activities and changes in net assets, and cash flows for the years then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of December 31, 2006 and 2005, and the changes in its net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated June 27, 2007 on our consideration of the Association's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

Our audits were made for the purpose of forming an opinion on the financial statements taken as a whole. The Schedule of United Way Funded Activities included in the supplemental information section of this report is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and, accordingly, we express no opinion on it.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Organization

The Young Men's Christian Association of Greater New Orleans (the Association) is a not-for-profit organization established in 1852 to provide education and leadership development and to promote healthy lifestyles which strengthen family relationships in the southern Louisiana area. The Association is a family of volunteers, members and staff helping the people of the community achieve their God-given potential through development of spirit, mind and body.

The Association operates a central office and ten facilities which are located in Orleans, Jefferson, St. Tammany, St. Charles, St. John, and Plaquemines Parishes. In addition to the various services offered through the Association's fitness centers, the Association's programs and services include, among others:

- Adult literacy programs
- Child care
- Day camp and teen leadership programs
- Family relationship programs
- Neighborhood service programs

Basis of Accounting and Presentation

The financial statements of the Association are presented on the accrual basis of accounting. Net assets, support and revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Association and changes therein are classified and reported as follows:

- Unrestricted net assets Net assets that are not subject to donor-imposed stipulations.
- Temporarily restricted net assets Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Association and/or the passage of time.
- Permanently restricted net assets Net assets subject to donor-imposed stipulations that neither
 expire by the passage of time nor can be fulfilled and removed by actions of the Association
 pursuant to those stipulations.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies (continued)

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statements of activities as net assets released from restriction.

Gifts of long-lived operating assets such as land, buildings or equipment are reported as unrestricted support, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long these long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Contributions of donated noncash assets (such as materials and equipment) are recorded at their fair or estimated values in the period received.

Property and Equipment

Property and equipment consists of buildings, office furniture and equipment and leasehold improvements, and is stated at cost or, if contributed, at fair market value at date of donation. Depreciation and amortization are provided on a straight-line basis over the estimated useful lives of the related assets. The Association has established a policy capitalizing all expenditures for property and equipment in excess of \$500. Buildings are depreciated over 40 to 50 years; the useful lives for other depreciable items range from 3 to 10 years. The Association capitalized \$12,135 of interest expense in 2006.

Allocation of Functional Expenses

Expenses are summarized on a functional basis. Salaries and related payroll expenses are distributed based upon the time spent for each function. Distribution of all other shared expenses is based upon management's estimates of the usage applicable to conducting various program or support activities.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies (continued)

Income Taxes

The Association is exempt from Federal income taxes under Section 501(a) (3) of the Internal Revenue Code and from State income taxes under Section 121 (5) of Title 47 of the Louisiana Revised Statutes of 1950.

Cash and Cash Equivalents

For purposes of the statements of cash flows, cash and cash equivalents represent demand deposits and highly liquid investments with an initial maturity of three months or less.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2. Capital Leases

The Association has capital lease agreements for equipment. The cost of the equipment, which is included in property and equipment, leased under capital leases is \$417,585 and accumulated depreciation on this equipment is \$184,390 resulting in a net book value of \$233,195 as of December 31, 2006.

The following is a schedule of the future minimum lease payments under these capital leases, and the present value of the net minimum lease payments at December 31, 2006:

Fiscal year ending as December 31:	
2007	\$ 121,123
2008	84,513
2009	68,316
2010	 20,104
Total minimum lease payments	 294,056
Less amount representing interest	 33,313
Present value of future minimum lease payments	260,743
Less current portion	102,860
Noncurrent portion of leases payable	\$ 157,883

NOTES TO FINANCIAL STATEMENTS

2. Capital Leases (continued)

The following is a schedule of the future minimum lease payments under these capital leases, and the present value of the net minimum lease payments at December 31, 2005:

Fiscal year ending as December 31:		
2006	\$	87,635
2007		66,344
2008		36,265
2009		19,246
Total minimum lease payments	-	209,490
Less amount representing interest	_	26,003
Present value of future minimum lease payments		183,487
Less current portion		75,437
Noncurrent portion of leases payable	\$	108,050

3. Notes Payable and Line of Credit

The Association had notes payable which consisted of the following as of December 31, 2006 and 2005:

	_	2006	 2005
Note payable to a bank with interest at 6.5%, payable in 35 regular payments of \$6,139, a final payment of \$627,062 due in December 2007, collateralized by a mortgage relating to real property.	\$	653,688	\$ 682,155
Note payable to a bank with interest at 8.75%, payable in 23 regular payments of \$8,937, a final payment of \$738,664 due in January 2009, collateralized by a mortgage relating to			
furniture, fixtures, and equipment.	_	805,478	 -
Total Less current portion		1,459,166 685,962	682,155 29,610
Long-term portion	\$_	773,204	\$ 652,545

NOTES TO FINANCIAL STATEMENTS

3. Notes Payable and Line of Credit (continued)

Future principal payments at December, 31 2006 are as follows:

2007	\$ 685,962
2008	\$ 40,063
2009	\$ 733,140

The Association has a line of credit with a lender for borrowings to a maximum balance of \$200,000 at a rate of 9.25%. Borrowings under the line of credit are collateralized by the assets of the Association. As of December 31, 2006 and 2005, respectively, \$45,530 and \$0 had been borrowed under the line of credit.

4. Restricted Net Assets

Temporarily restricted net assets of \$50,086 and \$971,697 as of December 31, 2006 and 2005, respectively, are restricted due to time. Temporarily restricted net assets of \$50,086 and \$69,047 as of December 31, 2006 and 2005, respectively, consist of donor restricted funds. Permanently restricted net assets of \$28,870 as of December 31, 2006 and 2005 relate to an operating endowment.

5. Employee Benefits

In August 2003, the Association began participating in a defined contribution, individual account, money purchase retirement plan which is administered by the YMCA Retirement Fund (a separate corporation). Employer contributions to the plan for the years ended December 31, 2006 and 2005 were \$48,654 and \$47,608, respectively.

6. National YMCA Organization

The Association is a member of the National YMCA Organization and is responsible for paying monthly support to the National YMCA (National) in the form of dues. In a previous year, the Association negotiated a payment schedule. The agreement requires monthly installments of \$2,479 which began January 1, 2005. Payments were temporarily suspended during the months after Hurricane Katrina and resumed in 2006. The remaining balance of the payable at December 31, 2006 and 2005 was \$119,165 and \$128,900, respectively.

NOTES TO FINANCIAL STATEMENTS

7. Grants

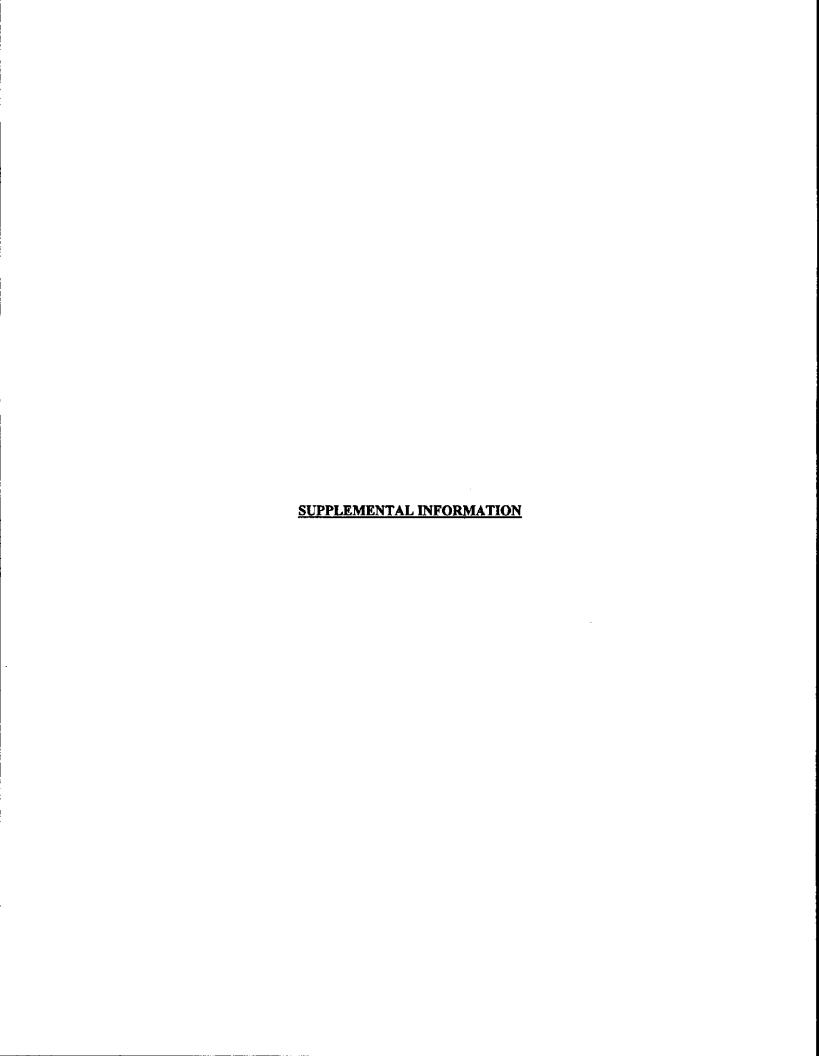

The Association participates in a number of state and federally-assisted grant programs. Federal and state grants of \$96,656 and \$211,992 were included in grants revenue for the years ended December 31, 2006 and 2005, respectively. The programs are subject to compliance audits. Such audits could lead to requests for reimbursement by the grantor agency for expenditures disallowed under terms of the grants. The Association's management believes that the amount of disallowances, if any, which may arise from future audits, will not be material to the financial statements.

8. Natural Disaster

Hurricane Katrina hit the Greater New Orleans area and the Mississippi Gulf Coast on August 29, 2005. The Association's branches were closed for several weeks following the hurricane. Several facilities suffered flood and other damages due to the hurricane. The Association incurred additional expenses of \$78,250 as a result of the hurricane. The net book value of property and equipment damaged by the hurricane is \$81,797. Insurance proceeds recognized in 2005 resulting from property and flood insurance claims total \$97,476, of which \$42,737 is included in accounts receivable as of December 31, 2005. The expenses and losses less insurance proceeds totaling \$62,571 are recognized on the Statement of Activities and Changes in Net Assets for the year ended December 31, 2005. Business interruption insurance proceeds of \$25,000 are recognized on the Statement of Activities and Changes in Net Assets in Miscellaneous Revenue for the year ended December 31, 2005. Insurance proceeds recognized in 2006 resulting from property and flood insurance of \$41,515 are included in miscellaneous revenue on the Statement of Activities and Changes in Net Assets for the year ended December 31, 2006.

9. Working Capital Deficiency

As shown in the accompanying financial statements, while the Association incurred an increase in net assets of \$282,345 during the year ended December 31, 2006, as of that date, the Association's current liabilities exceeded its current assets by approximately \$1.3 million. The Association is refinancing the balloon payment on its debt due in December 2007. In addition, management is working with grants/donors to ensure additional receipt of funds. The financial statements do not include any adjustments that might be necessary if the Association is unable to continue as a going concern.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Young Men's Christian Association of Greater New Orleans New Orleans, Louisiana

We have audited the financial statements of The Young Men's Christian Association of Greater New Orleans (a nonprofit organization) (the Association) as of and for the year ended December 31, 2006 and have issued our report thereon dated June 27, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Association's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control over financial reporting

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Association's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Association's financial statements that is more than inconsequential will not be prevented or detected by the Association's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Association's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of the Board, the Association's management and federal awarding agencies and pass-through entities, such as the State of Louisiana and Legislative Auditor's Office and is not intended to be and should not be used by anyone other than these specified parties. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
